Price the Powerful Petraction Here.

This is the store in which you can get everything to wear for Men, Women and Children, for people in all walks of life, at prices that are always lower than other stores. It is always an axiom that HIGH GRADES stand big profits, but, no such policy obtains here. We're no respectors of classes—All pureses look alike to us—because an article is of fine quality is no excuse for marking it at an exorbant profit. Not even on the most exclusive novelties do we ask a fancy price. "Good Goods" "Right Trices," see the point.

We often hear the remark:—"What Shell I Buy this One or that One for Christmas." A look through our house will ease your mind on that score. We have here just what you want. From now on until Christmas we intend making a DEEP OUT on all goods in every Department.
